

①

2

A hand-drawn mobile app wireframe for a wedding planning application. The layout is as follows:

- Header:** A circular profile icon on the left and a hamburger menu icon on the right.
- Hero Section:** A large rectangular area with the word "welcome" in the center, crossed out with a large 'X'.
- Mission Statement:** A section containing several horizontal lines representing text, with a line pointing to it from the label "Mission Statement" written to the right.
- Category Selection:** Three buttons labeled "Wedding", "Corporate", and "Private".
- Navigation:** Two large buttons labeled "MENUS" and "VENUES", each with a small 'X' in the top-left corner.
- Request Form:** A section labeled "Request" with a rectangular input field below it.
- Footer:** Three dots on the left and a small text block on the right.

Mission Statement

A hand-drawn mobile app wireframe for a wedding planning application, showing a different layout than the first one. The layout is as follows:

- Header:** A circular profile icon on the left and a hamburger menu icon on the right.
- Hero Section:** A large rectangular area with the word "welcome" in the center.
- Mission Statement:** A section containing several horizontal lines representing text.
- Category Selection:** Three buttons labeled "Wedding", "Corporate", and "Private".
- Navigation:** Two buttons labeled "MENUS" and "VENUES" side-by-side.
- Request Form:** A section labeled "Request" with a rectangular input field below it.
- Footer:** Three dots on the left and a small text block on the right.
