

CATERING.

REDEFINED.

Anyone can provide you with food. Not surprisingly, that's what most caterers promote.

At Catering St. Louis, we approach things differently. We focus on the entire event, creating the mood, atmosphere and surroundings you'll remember long after the plates are cleared. With us, you'll see that service is every bit as important as food.

From the exquisite to the everyday, our food dazzles. Whether you're planning a casual corporate open house or a wedding celebration adorned with all the trimmings, we create the moment. Perfectly. Completely. Precisely.

TESTIMONIALS

Perfect in Every Way

Joanna, we have finally had a moment to catch our breath after Nick and Emily's wedding last weekend and wanted to thank you again for their rehearsal dinner. It was perfect in every way! Thank you for all of your hard work, wonderful suggestions, attention to detail, and for allowing me to use you as a sounding board. We have received numerous compliments on the food, service, and venue. Please share this thank you with all of the staff. We loved working with you and will certainly be using Catering St. Louis again in the future!

Wonderful Experience

We had a wonderful experience. Everything was perfect and will definitely use your services again.

Absolutely Perfect

We couldn't have been happier with the event on Saturday, Kathy. Everyone raved about the venue and it so was beautiful with the fire and candles and warmth. Your staff was amazing and Angela commented about how helpful and nice everyone was – she even managed to get a couple of the staff on the dance floor! Everything went so smoothly and I know that you had a lot to do with that. Thank you for everything, Kathy. The day was absolutely perfect.

Many Compliments

Terrific venue. Food excellent. Service excellent. Planner couldn't have been more helpful. Many compliments from our guests. Certainly I'll recommend.

The Boathouse Annex in Forest Park was originally built as a boat storage facility. The building has since been renovated and tastefully decorated in a fishing-cottage motif. The large spacious interior is adorned with antiques, a large moose head and Vermont pot bellied stove, making it the ideal place for fun and casual events, such as bridal showers. The Boathouse Annex overlooks the Post Dispatch Lake and is situated in a separate building adjacent to the Boathouse restaurant. It does not have air-conditioning. It does have forced air gas heating and a gas fireplace for use in winter months.
